

Dear Class One and Two parents,

As you are aware since the start of term, Class One and Two have been using the new Bug Club and Phonics reading scheme to take home. I have been delighted to hear from Miss Mason and Mrs Ash that the children are really enjoying the new texts. On 29<sup>th</sup> February 2012 at 6.30pm in Class Two (just prior to the AGM) Mrs Bernadette Pereira from Pearson Education, will be coming into school to give a talk about the scheme and how to get the most out of it when reading at home with your child. There will also be some time for questions afterwards about your child's reading and progression and how reading done at home relates to the reading sessions in school.

This is a great opportunity to help your child develop their reading skills phonetically as well as building upon their comprehension and written responses to what they have read. It is important that all children are enjoying their reading and we are helping children of all levels develop their skills. We would be delighted if as many people would be able to attend as possible and there will be childcare provided during this time.

We look forward to seeing you then.

Miss Harris
