

Whitchurch Primary School IMPACT OF PUPIL PREMIUM

Annual Report to Parents & Guardians for 2012-13

The Pupil Premium is an element of school funding aimed at narrowing the gap in attainment between certain disadvantaged groups of pupils and those who are more well off. In 2012-13 funding was calculated on the basis of £623 for each pupil who has been eligible for free school meals in the past six years, and for looked after children in care for more than six months. There is a related Service premium of £150 for children of families in the armed services.

The funding is provided to schools, which decide how best to spend this according to local needs.

This year our school budget included a total Pupil and Service Premium of £4984 (1.3% of our delegated funding from the local authority), and below is a summary of the way we have used this funding to support our pupils' learning. (Note: information related to individual pupils remains confidential).

Actions taken Target pupil group	Impact on learning outcomes	Evidence: pupil attainment & progress
Wrap around care support.	Pupils arrive/leave school positively	Attendance data, reports from staff.
Additional group and individual reading materials	Pupils challenged further in their reading groups	Tracking of pupils progress in reading
1 to1 tuition for literacy	Pupils confidence levels in writing and reading increased	Value added analysis for pupils
Extension Maths Scheme materials	Broaden children's mathematic experience to consolidate levels of achievement	Pupil progress data, lesson observations
Provision of extra curricular activities for children receiving free school meals	All children participated in activities that supported the children's emotional wellbeing. Attendance improved	Attendance data Feedback from pupil survey
